What's Your Military Experience Worth?

"Veterans are impressive, because what they have done at their age is usually five or ten years ahead of civilian peers in terms of leadership and responsibility."

-Kelly Perdew (Former Army Officer)
2nd Season Winner
The Apprentice

"Successful Store Leadership Candidates Posses 4-10 years as a commissioned military officer"

CAMERON-BROOKS, INC.

"It is significant! The military, more than most other careers, gives you diverse and heavy responsibility very early in your career. You gain a level of experience that most companies find hard to duplicate in the first 4 to 8 years of corporate life. You bring us an immediate ability to produce results. You also provide us strong peer and subordinate leadership skills. Overall, it has been impossible to find a candidate better suited for Corporate America than the Junior Military Officer"
