

## Instrucciones para restarutar cursos de Moodle 1.9 a Moodle 2

1. Debe acceder el curso al cual va a restaruar su data. Antes de restaurar su curso seleccione **Edit setting** para que **Number of weeks/topics** sea igual tanto en el curso original como en el curso a donde va a restaurar.

The screenshot shows the 'Edit course settings' page for 'Curso prueba I'. The 'General' section is visible, with the following settings:

- Category: Cursos Prueba
- Course full name: Curso prueba I
- Course short name: Prueba\_IRL
- Course ID number: (empty)
- Course summary: (empty text editor)
- Format: format
- Number of weeks/topics: 10
- Course start date: 24 November 2011
- Hidden sections: Hidden sections are shown in collapsed form
- News items to show: 5
- Show gradebook to students: Yes
- Show activity reports: No
- Maximum upload size: 2MB

The left sidebar contains 'Navigation' and 'Settings' menus. The 'Settings' menu is expanded to 'Course administration', where 'Edit settings' is selected.

2. Seleccione la opción de **restore**.

The screenshot shows the 'Topic outline' page for 'Curso prueba I'. The 'Settings' menu in the left sidebar is expanded to 'Course administration', and the 'Restore' option is circled in red. The main content area shows a 'Topic outline' with 10 topics, each with a checkbox. The 'News forum' is listed as the first topic. The right sidebar contains 'Search forums', 'Latest news', 'Upcoming events', and 'Recent activity' sections.

3. Escoja el *backup* del curso de Moodle 1.9 que guardó en su computadora y haga **Upload**.

The screenshot shows the Moodle 'Restore course' interface. On the left, there are navigation and settings menus. The main content area is titled 'Import a backup file' and contains two sections: 'Course backup a...' and 'User private backu...'. Each section has a table with columns for 'Filename', 'Time', and 'Size'. Below the 'Course backup a...' table is a 'Manage backup fi...' button. The 'File picker' window is open on the right, showing 'Server files', 'Recent files', and 'Private files'. The 'Upload a file' option is circled in red.

The screenshot shows the Moodle 'Restore course' interface, similar to the first one. The 'File picker' window is open, and the 'Upload this file' button is circled in red. The 'Attachment' field is set to 'C:\Users\Isabel\Desktop' with a 'Browse...' button. The 'Save as:' field is empty, and the 'Author:' field is set to 'I Rios'. The 'Choose license:' dropdown is set to 'All rights reserved'.

#### 4. Oprima sobre **Restore**.
