JOB ANNOUNCEMENT

Announcement Number : 22-14
Position Title : Assistant Professor
Annual Salary : \$62,256.00
Location of Position : University of Puerto Rico
Mayaguez Campus
Department of Chemistry
(<https://www.uprm.edu/chemistry>)
Opening Date : September 9, 2022
Closing Date : November 9, 2022

INTRODUCTION

The University of Puerto Rico at Mayagüez is currently searching for applicants to research and teach in the areas of Biophysical Chemistry, Environmental Chemistry or Materials Chemistry.

MINIMUM REQUIREMENTS

Candidates must possess a PhD in Chemistry, with a specialty in Biophysical Chemistry or Materials Chemistry, and at least one year of postdoctoral experience. In addition, they must present a plan for research and search for external funds and a letter of their teaching philosophy. Candidates will also need to have a commitment to serving the mission and goals of the university and have excellent communication skills in English or Spanish.

JOB DESCRIPTION AND DUTIES

The chosen candidate will have a regular academic load equivalent to 12 credits per semester. This load will involve teaching, research and institutional services. They must be able to teach undergraduate and graduate level courses in the field of Chemistry. In addition, they must write proposals to obtain external funds and develop a successful research program in the areas of Biophysical Chemistry or Materials Chemistry. They are expected to contribute to curriculum development by creating new courses or revising established courses. The candidate must participate in professional development activities that help improve teaching and the curricular offer

HOW TO APPLY

Interested candidates should send by email to director.quim@uprm.edu with a cover letter, the official transcript of credits from the university where they obtained their academic degrees (graduate and undergraduate), their Curriculum Vitae, copies of publications, research plan, teaching philosophy, three (3) letters of reference in the professional area. Incomplete applications will not be considered. The application must be addressed to:
