PART IV - STUDENT STATEMENTS

42. RELEASE OF INFORMATION

The Privacy Act requires that we notify you of other routine uses of the information we collect from you. You should know that if you leave school, we might provide your name, address, and phone number to the U.S. Army Recruiting Command. This is done because the Active Army, Army Reserve, and National Guard want and need intelligent young men and women. They also have programs which might help you return to college. The transfer of information to the Recruiting Command means that, if you drop from school, you may receive information in the mail or be called by an Army Recruiter. You are under no obligation to accept the mail or to talk to the recruiter.

I have read and understand the above statement concerning data required by the Privacy Act of 1974.

Verification of the following statements is required in order to assist in establishing eligibility to participate in the ROTC program. Failure to provide a response will preclude further processing as an enrolled cadet. Failure to provide an accurate or truthful response is grounds for barring entry into the SROTC program or for the initiation of disenrollment action. Your signature at the bottom of this page will attest to the accuracy of your responses on this form.

43. STATEMENT OF CRIMINAL PROCEEDINGS BY CIVIL OR MILITARY AUTHORITIES

I have not been indicted or summoned into court under civilian or military law as a defendant in a criminal proceeding, to include any and all proceedings involving juvenile or adult criminal offenses, but excluding minor traffic violations (Exception: alcohol-related driving offenses) which involved a fine of \$300 or less (excluding court fees). No waiver required except when the applicant has accumulated six or more such offenses during any 12-month period. I have never been convicted, fined, imprisoned, placed on probation, paroled, or pardoned (to include alcohol violations and misdemeanors), except for minor traffic violations as defined above. I will advise the Professor of Military Science of any future information pertaining to any changes of criminal conduct against myself and I shall do so as soon as practical under the circumstances. Records that are expunged, sealed, set aside, dismissed, or original findings or pleas changed STILL require a waiver.

CADET APPLICATION AND ENROLLMENT RECORD Instructions and Notes (USACC Pam 145-4)

The purpose of the Cadet Application and Enrollment Record (CC Form 139-R) is threefold:

- 1. To record necessary information for entering a Cadet into the CCIMM database.
- 2. To create a legal record of Cadet enrollment.
- 3. To guide the Enrollment Eligibility Officer through the process of determining eligibility for enrollment and contracting.

A student is not enrolled in Army ROTC until he/she has completed and signed this form and the Enrollment Eligibility Officer certifies by signature that the student is eligible for entry into the Basic Course. A Cadet will not be contracted until he/she has completed and signed this form and the Enrollment Eligibility Officer certifies by signature that the Cadet is eligible for contracting.

Contracting any student is subject to the approval of the PMS, even when all other eligibility criteria are met.

Cadre will verify that the information on this form is current and accurate during each required periodic counseling with the Cadet.

Reproduction of this form on cardstock for durability is recommended. You may fill in permanent information in ink and changeable items in pencil.

If a waiver is required, refer to the current "Approval Authority/Flow of Cadet Actions" matrix and CC Pam 145-4, or other published guidance for current processing of waivers.

This form will be retained in the Cadet's personnel record as a permanent document and retained with the Cadet Record Brief for five years following the Cadet's appointment or disenrollment.
