

# NIIMBL eXperience

## @NC State

Led by the Biomanufacturing Training and Education Center (BTEC)

The Golden LEAF Biomanufacturing Training and Education Center (BTEC) at NC State University is excited to offer a unique biopharmaceutical manufacturing experience through the **NIIMBL eXperience @ NC State** from June 3rd-7th. This is an exclusive in-person, all expenses paid immersion program that offers college students from the southeast region of the United States and Puerto Rico with real-world insight into biopharmaceutical industry careers through hands-on activities and direct interactions with industry professionals.

**Upon completion of the experience, participants will be awarded a \$1,000 stipend.**

### Benefits

- Interactions with industry experts
- Hands-on demonstrations and activities
- Networking opportunities
- Career development expertise
- Travel, accommodations, and meals covered

### Eligibility

- Undergraduate student completing their freshman or sophomore year with an interest in STEM, emphasis on African American/Black, Latinx, and Native American populations
- Community college students with intentions to transfer to a 4-year institution are eligible
- Commitment to sharing your eXperience broadly

### Contacts

- **Danny Monroe, Assistant Director of Student Programs:** dsmonroe@ncsu.edu
- **Pa Nhia Moore, Manager of Student Programs:** pa\_moore@ncsu.edu

**\*Extended Application Deadline\***
