SUMMER INTERNSHIP

We are seeking exceptional college students, especially rising graduates, to step into our thriving culture this summer and come away prepared to take the lead in a unique and challenging industry. Interns will be joining us in our beautiful Miami location for 9 weeks.

FARMS

WORLD-CLASS PROFESSIONAL DEVELOPMENT

Our interns will be completing a **targeted project in their field of interest**, and also teaming up to tackle a **high-value, innovative group project**. At the conclusion of the program, interns will be **presenting on their individual projects within their department**, and their **team projects to the Executive Committee**, giving them valuable exposure to our leadership team.

ALL APPLICANTS MUST BE WORK AUTHORIZED. COSTA FARMS WILL NOT SPONSOR ANY VISA FOR THIS POSITION.

WHY COSTA FARMS?

Love Where You Work

At Costa Farms, we are all about delivering results as a team and making work a place we love coming to every day.

Grab a freshly made milkshake or smoothie at one of our nearby market stands, enjoy a little friendly sports competition at a local park, or participate in team-building activities. Interns will also get to spend an afternoon volunteering to create school supply packs for our Alfaltit program, which educates our farm team members in reading, writing, and even math skills.

Compensation & Career Path

The summer internship at Costa Farms is rigorous, fast-paced, and highly rewarding. We are offering competitive hourly rates at \$20 for undergraduate and \$23 for graduate interns.

Costa Farms is committed to investing in qualified interns both during the program and beyond; because of this, our goal is to offer full time employment to all who successfully complete the internship upon their graduation. Launch an exciting career with Costa Farms right out of college!*
