A. The Detachment Commander must know if you have ever been arrested, convicted, involved with law enforcement officials or authorities for him/her to determine if you meet the character requirements for membership in Air Force ROTC. It is necessary for you to report any involvement with civil, military, or school authorities/law enforcement officials REGARDLESS OF ITS INSIGNIFICANCE, disposition, or finding on the certification provided below. Include traffic violations and any incidents which resulted in your being judged a juvenile offender. A finding of not guilty or advice by an attorney, court official, or anyone else to consider you record as clear DOES NOT constitute authority to leave the involvement off of the certification.

B. In the future, you must report any civil involvements to the Detachment Commander or his/her designated representatives WITHIN 72 HOURS following it's occurrence. If such incidents occur during a period of leave from the institution (e.g., student teaching or foreign study), attendance at Field Training, or during normal vacation periods, the 72-hour time limit will apply effective with the official date of your return to the institution.

C. Concealing or failing to report an involvement with civil, military, or school authorities/law enforcement officials, giving false information or claiming subsequent to initial certification that you were unaware of the contents of this document may result in elimination from consideration for membership in the Air Force ROTC program; or, if already a member, may result in your discontinuance from the Air Force ROTC program. The information reported on this certification from will be treated as confidential matter, subject to the provisions of the Privacy Act of 1974 and the Freedom of Information Act.
