Luca Buvoli

Pop-Up #16 for: Flying—Practical Training for Beginners

Requires: 3 double-sided sheets
Follow the solid lines on the back of each sheet to cut out the separate sections. Use a box cutter, a ruler, and scissors.

Glue LEAD LETTERS (H2, H3, etc.) inside, and glue inside the marked areas.

Glue strip in the back of 4.

Fold inside.

Fold outside.

Slide section 3 in the back of 2.

Glue at the slots, then glue.

Insert into horizontal slot, then glue.

Insert into vertical slot, then glue to C.

Pull up C.

Close fold-out.
