Evidence 3.1.8: Teacher Preparation Program Recruitment Plan (2022-2024)

Evidence Overview

The document titled "Teacher Preparation Program Recruitment Plan (2022-2024)" outlines the vision, mission, objectives, and strategies of the University of Puerto Rico at Mayaguez's unit for developing subject matter specialists in education. The plan focuses on promoting the Teacher Preparation Program to attract candidates from various fields and content areas, utilizing a range of activities including social media promotions, publishing invitations, participating in orientation weeks, and producing updated brochures in English and Spanish. It also involves utilizing the Facebook page for outreach, participating in open houses, distributing flyers about course requirements, and using teacher candidates as recruitment agents. The plan includes collaboration with the Puerto Rico Department of Education and increasing the number of hybrid and online courses to accommodate working people or those with complex schedules.
