

## Evidence 3.2.4: *Enrolled students at the Methodology Courses 2021-2022, 2022-2023 and 2023-2024*

### Evidence Overview

The document "Evidence 3.2.4: Enrolled students at the Methodology Courses 2021-2022, 2022-2023, and 2023-2024" presents data on student enrollment in methodology courses at the University of Puerto Rico at Mayaguez's Teacher Preparation Program across three academic years. This data is crucial as it demonstrates the program's ability to attract and retain students in these essential courses. The enrollment table show the program's reach and its effectiveness in educating future educators. This evidence is aligned with CAEP standards, particularly those focusing on the program's impact and quality.

### The Evidence

The table illustrates the enrollment on methodology courses at the UPRM EPP during Academic Years 2021 to 2024.

**Table 1**

Students' enrollment on methodology courses during the most recent academic years at UPRM EPP

| Academic_Year | Methodology_Courses_Enrollment |
|---------------|--------------------------------|
| 2021-2022     | 70                             |
| 2022-2023     | 65                             |
| 2023-2024     | 106                            |
