

Evidence 2023.1.3.2: List of examples of Teacher Candidates E-Portfolios

Evidence Overview

The purpose of E Portfolios in the UPRM EPP (Education Preparation Program) is multifaceted. They serve as a comprehensive and reflective tool for teacher candidates to demonstrate their competencies in various aspects of teaching. E Portfolios typically include evidence of candidates' skills, knowledge, and dispositions aligned with professional standards. They also facilitate the assessment of candidates' development and readiness for the teaching profession. Additionally, E Portfolios offer a platform for candidates to reflect on their learning experiences, showcasing their growth and achievements throughout the program. This reflective practice is essential in preparing effective and self-aware educators.
