JOB ANNOUNCEMENT

Announcement Number : 24-06
Position Title : Assistant Professor
Annual Salary : \$62,256.00
Location of Position : University of Puerto Rico
Mayagüez Campus
Department of Chemistry
Opening Date : March 18, 2024
Closing Date : April 30, 2024

INTRODUCTION

The University of Puerto Rico at Mayagüez is currently searching for applicants to research and teach biophysical chemistry, bioinorganic chemistry, environmental chemistry or materials chemistry.

MINIMUM REQUIREMENTS

Applicants must hold a Ph.D. in chemistry, with a specialty in biophysical chemistry, bioinorganic chemistry, environmental chemistry or materials chemistry, and at least one year of postdoctoral experience. Moreover, they must present a plan for research and search for external funds and a letter of their teaching philosophy. Candidates will also need to have a commitment to serving the mission and goals of the university and have excellent communication skills in English or Spanish.

JOB DESCRIPTION

The successful candidate will have a regular academic load equivalent to 12 credits per semester. This load will involve teaching, research, and institutional services. The successful candidate must be able to teach undergraduate and graduate level courses in the field of chemistry. Furthermore, the candidate must write proposals to obtain external funds and develop a successful research program in the areas of biophysical chemistry, bioinorganic chemistry, environmental chemistry or materials chemistry. The candidate is expected to contribute to curriculum development by creating new courses or revising established courses. The candidate must participate in professional development activities that help improve teaching and curriculum offerings.

HOW TO APPLY

Candidates must send an email to director.quim@uprm.edu with a cover letter, the official transcript of credits from the university where they pursued their academic degrees (graduate and undergraduate), their curriculum vitae, copies of publications, research plan, teaching philosophy, and at least three (3) letters of recommendation. Incomplete applications will not be considered. The application must be addressed to the following contact:
