Undergraduate Program Enrollment and Degree Data (2018-2022) for College of Engineering Programs

Updated on November 2022

Introduction

This document provides a tabular and graphical overview of student enrollment and degrees conferred for the College of Engineering programs. Graphs present a five year summary (2018-2022) for nine undergraduate programs offered by the College of Engineering. Tables provide detailed information for undergraduate students by enrollment type (FT=Full Time or PT=Part Time) and year of study. Also, tables include totals for graduate student enrollment and number of graduate degrees awarded by year.
The information provided in this report was obtained from the Office of Planning, Research and Institutional Improvement (OPIMI). Real time data and additional statistics for the college of engineering programs is available at https://oiip.uprm.edu/dashboards/.
