

## 2014 Engineering Graduate Programs

### Information Session

**Amarildo DaMata, M.S.**

Coordinator Graduate Studies

Department of Mechanical Engineering –  
University of Maryland

## Application Process for Graduate Programs at The Clark School of Engineering and Fellowships Opportunities (LSAMP) University of Maryland – College Park.

Tuesday, February 25, 2014 | 11:00 am | Room: Luchetti 242A

**BIO:** Mr. Amarildo DaMata received his M.S. in Biological Resources Engineering from the University of Maryland , College Park, in 2006. He also graduated with a M.S. in 1997 at Universidade Federal de Vicosa-Brazil. His expertise in application process for Graduate Program dates from the time he entered the graduate program in Maryland, where he worked at the Graduate School as a Graduate Assistant. Mr. DaMata has worked for the Department of Mechanical Engineering for 6 years. He also works together with the Center for Minority in Engineering ([www.cmse.umd.edu](http://www.cmse.umd.edu)) recruiting under represented minority students.
