### INTRODUCTION

The University of Puerto Rico in Mayagüez is currently looking for candidates to teach Applied Mathematics, with knowledge in Partial Differential Equations, or Mathematical Education, with a strong component in mathematics.

### MINIMUM REQUIREMENTS

Possess a doctoral degree in Mathematics, or the expectation of its completion before the start of the appointment. Special consideration will be given to candidates with knowledge in Partial Differential Equations, or in Mathematical Education with a strong component in mathematics.

### JOB DESCRIPTION

Applicants should have a strong commitment to teaching and research potential; and should demonstrate a good publication record in quality journals. Duties include undergraduate and graduate teaching and research. Initiative and leadership skills are expected. Applicants must provide a record of scientific research publications which indicates the candidate's potential to establish and maintain a productive research program. Interest in interacting with faculty in other research areas in the department and/or university would be desirable. Classes at the University are taught in Spanish or English.

### HOW TO APPLY

Applicants should submit: an application letter, AMS cover sheet, current curriculum vitae, teaching and research philosophy, official Graduate School transcripts, a plan which outlines their short and long-term teaching and research goals, a research proposal on how to bring in external funding for teaching and/or research. The documents must be sent on or before **May 31, 2024** to:
